Sponsorship Opportunities

Homeless Service Providers Network of New Bedford and RiseUpForHomes.com is pleased to announce their annual New Bedford Connect: Connecting Homeless People to a Better Future.

We are inviting you to join us by sponsoring the New Bedford Connect one-day event that brings together, in a single location, a wide variety of community volunteers and vital resources and services for individuals and families experiencing homelessness or are at risk of becoming homeless. Direct services will be provided on site, free of charge to all seeking assistance. The goal of New Bedford Connect is to provide easy access to these services and resources that support the transition of the city's homeless off the streets and/or shelters and into housing and your support as a sponsor can help us achieve this goal.
